# FASTING

We often give up things for Lent but fasting is not just about going without chocolate. It's about going without something you don't need in order to focus on the things you do. You might fast from watching TV or going on your phone and spend more time with your family and friends. This this week about a change in your life you can make for the better and use this Lent to help you grow in faith.

# Edgar Degas 1834-1917

‘*Art is not what you see, but what you make others see.*’

Degas, a French painter, is especially identified with the subject of dance; more than half of his works depict dancers. Although Degas is regarded as one of the founders of **Impressionism**, he rejected the term, preferring to be called a realist, and did not paint outdoors as many Impressionists did.
