Set 9.09.21 Due 16.09.21	Science (GR) Research what contribution the scientists Alhazen and Isaac Newton made to our understanding of light. Make notes that you can speak from, supported with 2 powerpoint slides for each scientist showing (i) when and where they lived (ii) any pictures or relevant diagrams.			Reading of choice - Record in Homework Journal. Children are expected to read daily . They should either be heard to read at least 3 times a week or answer questions about what they have read to an adult. See Mrs Dowsett for further information.	Talk homework: discuss the topic's (Loving) Big Question and other questions. Do you have to earn love? To be completed by 23rd September .	Spellings will be given out on Tuesdays for the following Tuesday and consist of rule-grouped spellings for KS2. They will be tested in sentences to ensure children know the meanings. <i>It is important that these are practised and their patterns and rules are discussed at home to enable the children to apply the rules to similar words.</i>	Create a travel advertisement for a South American country. Research and consider what the key features are that would encourage someone to visit. Present and record in your preferred format. Consider a recorded TV advert, poster, brochure etc. To be completed by 14.10.21 <i>In the last week of half term the children will be asked to present their work to the class.</i>

<p><i>Children should be spending at least 40 mins on their maths every week to consolidate their learning. IXL or TTR recommended to consolidate skills.</i></p> <p><i>Marking should be done at home, which allows the children to learn from their errors.</i></p>							

Homework is given for the term to enable you to organise when you complete it. However, it should be handed in (marked as appropriate) by the due date detailed.

Homework completion is expected and will be monitored (including IXL), as it is an important part of their learning in Year 6.

**Children should look back at their work, note their errors and misunderstandings. Then, as independent learners, write themselves notes to show that they have recognised what they need to do in the future.*

IXL, Times table Rockstars & Purple Mash. Usernames and Passwords in Homework diaries and these websites can be accessed via the school website.

In the first week, Science homework is set instead of the normal Maths, Reading and Grammar homework.
