Set 22.09.22 Due 29.9.22	Light: Research contribution the scientists Alhazen & Newton made to our understanding of light. Make notes that you can speak from, supported with 1 / 2 slides, or a poster, for each scientist showing (i) when and where they lived (ii) any pictures or relevant diagrams.			Children are expected to read daily . They should either be heard to read at least 3 times a week or answer questions about what they have read to an adult. See Mrs Dowsett for further information.	Talk homework: discuss the topic's (Vocations) Big Question and other questions. What is commitment in life? To be completed by 17th November.	<i>It is important that these are practised and their patterns and rules are discussed at home to enable the children to apply the rules to similar words.</i>	<i>In the last week of half term the children will be asked to present their work to the class.</i>

<i>Children should be spending at least 40 mins on their maths every week to consolidate their learning. IXL or TTR recommended to consolidate skills.</i> Marking should be done at home, which allows the children to learn from their errors.							

Homework is given for the term to enable you to organise when you complete it. However, it should be handed in (marked as appropriate) by the due date detailed. Homework completion is expected and will be monitored (including IXL), as it is an important part of their learning in Year 6.

**Children should look back at their work, note their errors and misunderstandings. Then, as independent learners, write themselves notes to show that they have recognised what they need to do in the future.*

Homework has not been set for the week that the children are on their Residential at Crich.

Children should practise their musical instrument, ideally for 10 minutes daily.

IXL, Times table Rockstars & Purple Mash. Usernames and Passwords in Homework diaries and these websites can be accessed via the school website.
