Outreach

Outreach is the act of reaching out to others with the message of God's love. It is about sharing the good news of Jesus Christ with those who do not know him. Outreach can take many forms, but it always involves going out to those who are most in need, or who feel left out and sharing God's love with them.

Find someone in your community who may not always be included.

Make an effort to tell them they are loved and important.

This week's mission shared by Y6

Word of the week Dialogue in Ordinary Time Jesus calls us to engage in dialogue with those who are different from us. We should listen to the perspectives of others, even if we disagree with them and through dialogue come to understand and love them better. We should always be open to learning from others and often the first step is to enter into dialogue. Week 25 Have lots of conversations this week, with lots of different people. Make an effort to really listen to what people are saying. ear A
