

FRENCH OVERVIEW 2023 - 2024

From January 2024, as a school we are ending the use of the Twinkl scheme of learning for French to the Language Angels scheme of learning. In order to increase confidence in French, enable the children to make secure progress and promote the importance of Language learning, we are going to be covering French throughout the school.

EYFS and KS1 have one topic per year in the Pentecost term – these require no written work or assessment. The focus is on introducing French and engaging the children so that they are enthusiastic about continuing their language journey in more detail in KS2. These units are based on listening and some speaking, through the use of songs and games.

KS2 are required to demonstrate evidence of each lesson in the French books. Speaking, listening, reading and writing tasks are included in each topic. A cold task is completed at the beginning of a unit, and repeated again as a hot task at the end of the unit. Both are in the children’s books to show progress.
